Dear Sirs

Attn. Mr G Martin

I am writing on behalf of the Management Committee to offer our sincere thanks for your Company's very generous donation of £150 to Parish Room funds, received via one of our Trustees, Mr Derrick Alford, on January 23rd.

The enclosed copy of a document recently submitted to Taunton Deane Borough Council in conjunction with our application for Rate Relief illustrates how residents of this Parish & of neighbouring communities benefit from the facility and we would like you to know that your Company's support is greatly appreciated.

Yours faithfully

I.G. Popplestone, Chair
